# JEAN-FRANÇOIS SEGUIN

**Only the boat matters**

*“The joy of being out on the water, the spray in your face, eyes squinting in the sun, feeling a rope in one hand and the tiller in the other, all in harmony with the forces of nature. You are so focused, only the boat matters”.*

Images shot for one of Canada’s best sailing school, École de Voile Deux-Montagnes, to attract kids to sailing.
